TRESTLE BOARD

Master's Message

A final message from the East as the twilight dawns on my term of office. It has been a fun ride and one I am sure I will repeat in the future. I wish to thank the entire lodge for the Brotherly Love and Support which have been afforded me this year. Really shows what this fraternity is all about and why we have all elected to make this journey.

Elections were held on November 8th and here are the new officers you have elected. It is a very strong line – I am impressed with your choices. Elected were: WM – Manny Ajuria, SW – Bob Burton, JW – Mike Olsen, Secr/Tr – Andy Willett, and Trustees – John Marra and Bud Tweed. Dave MacLean's term of office as a Trustee is over and we thank him for his service. Appointed were: SD – Bill Petkoff, JD – Jim Stirmel, Chaplain – Dave MacLean, Tiler – Jim Bilskey, SS – Paul Beduze, JS – Mark Frion and Counselor – Rod Paulsen. Mark will also be covering the News Hawk position. Best wishes for the upcoming year, I am sure each will do well.

Installation will be held at the Lodge on January 2nd at 1:00 pm. Please come. A late luncheon will be held at the Duck Inn afterwards – an invitation is attached. RSVP by mail, phone or email to Manny at manuajur@aol.com.

On November 17th, we had an Open House/Meet the Masons at the lodge. By all accounts it was a great success. I went up to the lodge room for some reason and saw Bud with 5 people, Rod with 2 and Russ with 3. There were people everywhere and the food was well received. I recommend we keep this event as an annual thing

And once more a Blood Drive will be held on December 21 (not the 22nd as previously reported), a Tuesday at the lodge starting at 2 pm. Come one, come all.

The proposed resolutions to the by-laws were voted on and passed in lodge. FYI we have decided not to go dark at all any more but to have one meeting only on the 4th Monday of the month in July and August just to keep our feet wet. Additionally, we voted to not have a 2nd meeting in December due to the Holidays and family time was desired. These are now official.

Sincerely and Fraternally

Andy Willett, WM
